Invitation: Standards in Diabetes

River Hospital's Nutrition Services will present 'Update 2008: Standards in Diabetes Medical Care'. This presentation is an outreach service designed for Health Care Providers, Physicians, and Care Givers and will be presented by Nicole Garnsey, Registered Dietitian and Certified Diabetes Educator.

You will hear the latest American Diabetes Association recommendations in screening for diabetes, monitoring and achieving glycemic goals, clinical preventative services, and counseling patients. Whether you are a health care professional, a care giver, or an individual with diabetes, there will be valuable information for everyone.

This event is scheduled for Thursday, September 4th at River Hospital's Adult Day Health Care Room beginning at 6:00 p.m. The presentation will be approximately one hour and is open to the public. Light food and beverages will be provided and seating is limited to 30 people. RSVP by August 28th to reserve your seat by calling 783-6810.
